

SAFETY DATA SHEET

SECTION 1: PRODUCT AND COMPANY IDENTIFICATION

Product Name: **BOH COMMERCIAL STRENGTH ODOR CONTROL TREATMENT**

Revision Date: August 4, 2014

Chemical Description: Blend of surfactants and enzyme producing bacteria

Manufacturer Information;

Bryson Industries, Inc
416 Albertson Rd
Thomasville, NC 27360
Main Telephone No. 336-931-0026
CHEMTREC-For Emergencies Only 1-800-262-8200 (24 hours)

SECTION 2: HAZARDS IDENTIFICATION/EMERGENCY OVERVIEW

Emergency Overview	Warning: Avoid prolonged contact with eyes, skin, and clothing. Do not ingest.
Potential Health Effects	
Eyes	Contact may irritate or burn eyes.
Skin	Contact with skin may cause irritation. Frequent or prolonged contact May defat and dry the skin, leading to discomfort and dermatitis. May be harmful if absorbed through skin.
Inhalation	Inhalation may cause irritation, coughing, headache, nausea, drowsiness.
Ingestion	Ingestion may cause gastrointestinal irritation, nausea, vomiting, and diarrhea.

SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

<u>Ingredient</u>	<u>CAS #</u>	<u>Percent by Weight</u>
Non-Pathogenic Bacteria Cultures	NA	
Nonionic Surfactants	68551-12-2	5-10

BRYSON

industries, inc.

SECTION 4: FIRST AID MEASURES

First Aid Procedures:

Eye Contact	Immediately flush eyes with plenty of water for at least 15 minutes. Call a physician if symptoms develop or persist.
Skin Contact	Immediately flush with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothing separately before reuse. Call a physician if symptoms develop or persist.
Inhalation	Move to fresh air and keep at rest in a position comfortable for breathing. Call a physician if symptoms develop or persist.
Ingestion	If swallowed, do not induce vomiting. Rinse mouth. Drink plenty of water. If vomiting occurs, keep head low so that stomach content does not get into the lungs. Never give anything by mouth to a victim who is unconscious or is having convulsions. Call a physician immediately.

5. FIRE FIGHTING MEASURES

Flammability of the Product	May be combustible at high temperature
Extinguishing Media	Small Fire: Use DRY chemical powder Large Fire: Use water spray, fog, or foam. Do not use water jet as an extinguisher, as this will spread the fire.
Protective Equipment for Firefighters	Firefighters should wear full protective clothing including self contained breathing apparatus.

6. ACCIDENTAL RELEASE MEASURES

Small Spill or Leak	Dilute with water and mop up or absorb with an inert dry material and place in an appropriate waste disposal container. If necessary, use suitable protective equipment (Section 8). Finish cleaning by spreading water on the contaminated surface and dispose of according to local and regional authority requirements.
Large Spill or Leak	Absorb with an inert material and put the spilled material in an appropriate waste disposal container. Use suitable protective equipment (Section 8). Do not release into the environment.
Containment Methods	Stop the flow of material if this is without risk. Prevent spilled material from entering sewage and drainage systems which lead to waterways.

7. HANDLING AND STORAGE

Handling	Wear personal protective equipment. Avoid contact with eyes, skin, and clothing. Do not ingest. Wash thoroughly after handling. Avoid contact with spilled material. Avoid runoff of spilled material onto soil or surface waterways.
Storage	Keep container tightly closed when not in use. Keep container in a cool, well ventilated area.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering Controls	Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapors below their respective occupational exposure limits. Ensure that eyewash stations and safety showers are close to the work station location.
Personal Protection	
Eyes	Wear safety glasses with side shields (or goggles).
Skin	Impervious gloves. Wear suitable protective clothing.
Respiratory	No personal respiratory protective equipment is normally required. If engineering controls do not maintain airborne concentrations below recommended exposure limits (where applicable), an approved respirator must be worn.
General Hygiene Considerations	When using, do not eat, drink, or smoke. Do not get in eyes. Do not get this material in contact with skin. Wash hands and face before breaks and immediately after handling the product. Wash hands after handling and before eating. Keep away from food and drink. Handle in accordance with good industrial hygiene and safety practice.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical State	Opaque Liquid
Color	White
Odor	Lemon
PH	7.0-9.0
Specific Gravity	1.008
Flash Point	Non flammable
Solubility	Disperses in cold or hot water

10. CHEMICAL STABILITY AND REACTIVITY

Chemical Stability	Material is stable under normal conditions.
Conditions to Avoid	None known.
Incompatible Materials	Inorganic acids and bases. Avoid contact with oxidizing agents (for example, nitric acid, peroxides, and chromates.)
Hazardous Decomposition Products	Carbon monoxide. Organic compounds which may be toxic.
Hazardous Polymerization	Hazardous polymerization will not occur.

BRYSON
industries, inc.

11. TOXICOLOGICAL INFORMATION

Acute Effects-Skin	Moderately irritating to the skin.
Acute Effects-Eyes	Contact with the eyes may cause irritation.

12. ECOLOGICAL INFORMATION

Degradability/OECD	Inherently biodegradable.
US RCRA HAZARDOUS WASTE	Does not apply

13. DISPOSAL CONSIDERATIONS

Waste Information	Waste must be disposed of in accordance with federal, state, and local environmental control regulations.
Disposal Instructions	Consult authorities before disposal. Incinerate the material under controlled conditions in an approved incinerator. Do not allow this material to drain into sewers/water supplies.
Contaminated Packaging	Empty containers should be taken to an approved waste handling site for recycling or disposal.

14. TRANSPORT INFORMATION

DOT Shipping Requirements	Not Regulated
IMDG Class	Not Determined

15. REGULATORY INFORMATION

U.S. Federal Regulations	TSCA: All intentionally present components are listed on the TSCA inventory. CERCLA: Hazardous substances; No products were found. SARA 302/311/312 Extremely Hazardous Substances: No products were found. SARA 313 Toxic Chemical List: No products were found.
State Regulations	California Prop. 65: No products were found.

16. OTHER INFORMATION

Notice to the Reader: The information in this Safety Data Sheet should be provided to all who will use, handle, store, transport, or otherwise be exposed to this product. All information concerning this product and/or suggestions for handling and use contained herein are offered in good faith and are believed to be reliable as of the date of publication. However, no warranty is made as to the accuracy of and/or sufficiency of such information. The Buyer must determine for himself, by preliminary tests or otherwise, the suitability of this product for his purposes, including mixing with other products.
